Any Florida Shorthorn breeder selected by the youngster who receives this heifer will be happy to see that it is bred to one of his herd sires free of charge.

4-H and FFA members who are interested are urged not to miss this Shorthorn sale on May 4 at the New State Livestock Pavilion at Madison. See your vocational agriculture instructor or county agent, or just get your father to bring you to the sale himself.

The Florida Shorthorn Breeder's Association would like to take this opportunity to thank Dixie D Ranch for this generous donation. Dam of this heifer is Far Reach Rosewood.

### **SPECIAL NOTICE**

There will be a limited number of quality steers sold during this sale. Here's the chance to buy steers of the breed which won the 1956 International Grand Championship, and all three weight divisions at the 1957 Madison Show.

# Standard Guarantee

## OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within 6 months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

### **Note: 15% of These Entries Won't Sell!**

There are 62 animals catalogued, yet we have announced a sale of only 50 head. This is because the official judge, Mr. Don Wakeman of the University of Florida, has been asked to eliminate the lower 15 percent of these entries, to help you in buying the quality you want.
